

**College of Education, Health, and Human Sciences**  
**Approval Form for Directed Independent Study,**  
**Preliminary Research\*, Supervised Teaching, and Supervised Research**

Students may enroll in a Directed Independent Study (DIS), a Preliminary Preparation, Supervised Teaching, or a Supervised Research course for the purpose of working individually with a faculty member on a topic. The student negotiates the topic and related requirements with the supervising professor. Note: Exceeding repeatable credit hours in a course will result in earning "no credit" in the course.

*Form fields must be typed and authenticated digital signatures are required. Incomplete or unsigned forms will not be accepted.*

To register for DIS, Supervised Teaching, Preliminary Research\* or Supervised Research hours, students must:

- 1) Negotiate the topic and requirements with the faculty member who will supervise the work
- 2) Fill out this form and obtain the faculty member's signature
- 3) Submit the form to the applicable departmental staff member to obtain a reference code with which to register

*\*Educational Psychology and Learning Systems Department students only.*
