Institutional Review Board (IRB) Human Subjects Committee and Animal Care and Use Committee (ACUC)

Approval Verification Form

Students must obtain approval from the Florida State University Institutional Review Board Human Subjects Committee or Animal Care and Use Committee in their own name if the research involves human or animal subjects, including secondary data analyses. Students must complete and submit this form to the Office of Academic Services and Intern Support (OASIS) within 60 days of the defense of the prospectus. Failure to submit this form within 60 days of the prospectus defense will result in a registration hold. The academic dean's representative will not approve the student's degree clearance if the required IRB/ACUC approvals are not obtained.

Please note: Form fields must be typed. This form requires authenticated digital signatures of the major professor and department chair. The form must be submitted to OASIS via DocuSign for completion.
